

**IN THE SPECIFICATION**

**Please amend paragraph [0005] as follows:**

[0005] The nature and variety of various wipe dispensers is, as mentioned above, quite extensive. Examples by the assignee of the present application include U.S. Patents Nos. 5,647,506 and ~~5,542,468~~ 5,542,568, which are only two of the many commercially important products which have been developed. These also include products with refillable dispensing systems, such as in U.S. Patent No. 6,412,634, and systems which dispense continuous webs of material which are joined by perforations and are dispensed from a continuous roll such as those described in U.S. Patent No. 6,578,731, and others.
